Means of transport	Private coach-North Sydney bus Charters
Requirements for seatbelts or safety restraints in your state or territory have been met.	No legislative requirement to have seat belts in a bus/coach that is transporting more than 12 passengers. Where available we will hire coaches that are fitted with seatbelts, but we recognise this will not always be possible. Where seat belts are not fitted, we will ensure all children are secure in their seats and do not move around the coach. This information has been verified by Kids and Traffic and by checking the laws and regulations.
Number and full names of each adult involved in the excursion.	Joanna Dalby Ball 0432 000 817 Additional Educators TBC
The number of educators / responsible adults, appropriate to provide supervision, and whether any adults with specialised skills are required.	1:15
The number of children involved in the excursion.	TBC
Any water hazards during the excursion, including any risks associated with water-based activities?	No

Educator to child ratio, including whether this excursion warrants a higher ratio.	1:15
<p>Describe the process for entering and exiting the service premises and the pick-up location or destinations</p> <p>Exiting centre</p> <p>All children assemble and the roll is called using Xplor Playground</p> <p>Any child in attendance who has not been signed in or is a last-minute booking is added to the roll to ensure correct numbers</p> <p>Once the roll is correct a head count roll is conducted and recorded</p> <p>Children are put with a buddy and line up at the service entrance gate</p> <p>A physical head count is done, and numbers cross referenced and verified</p> <p>An educator waits at the bottom of the stairs, one walks to the coach door and waits there</p> <p>Other educators accompany the children to the coach door whilst the educator at the bottom of stairs counts the children through in pairs, ensuring this is done slowly and methodically</p> <p>Once all children are through, the educator checks the physical head count numbers against recorded numbers and completes a final and thorough check of the premise</p> <p>Children are counted onto the bus and numbers checked and verified</p> <p>Once all children are on the coach a final head count roll is done and numbers cross referenced and verified</p>	

Arrival at excursion destination

Two Educators disembark the coach, one waits at the assembly point the other at the coach door conducting a physical head count as children disembark.

Numbers are cross referenced and verified.

Children disembark with their buddy and assemble at the assembly point

The Responsible Person checks every seat and onboard toilet (if applicable) to ensure no child is left onboard

Once all children have assembled a head count roll is conducted and recorded and a physical head count is conducted, numbers are cross referenced and verified

Departure from excursion destination

Children assemble at assembly point

An educator waits at the coach door

Once all children have assembled a head count roll is conducted and recorded and a physical head count is conducted, numbers are cross referenced and verified

Children are paired with their buddy and walk to the coach door accompanied by educators who are dispersed throughout the group

As children enter the coach a physical head count is done, and numbers cross referenced and verified

Once all children are on the coach a head count roll is conducted and numbers cross referenced and verified

Arriving at the centre

Two Educators disembark the coach, one waits at the assembly point the other at the coach door conducting a physical head count as children disembark.

Children disembark with their buddy and assemble at the assembly point

The Responsible Person checks every seat and onboard toilet (if applicable) to ensure no child is left onboard

Children enter the centre with their buddy and an educator conducts a head count as they are entering the service

As children enter the centre an educator greets them, and they are asked to sit down whilst all the children enter the centre

Once all children have entered the centre and have assembled a head count roll is conducted and numbers checked and verified with the physical head count numbers

Describe the procedures for embarking and disembarking the vehicle

Children are in pairs when embarking/disembarking

Head counts are conducted before embarking/disembarking

Recorded and physical head counts are cross referenced and verified
